

REMARKS

Applicants have amended claim 43 to be in independent form, thereby overcoming the objection by the examiner. Because claim 44 depends from now independent 43, Applicants respectfully request that the objections to both claims 43 and 44 be withdrawn. Applicants have canceled without prejudice all rejected claims. In view of the foregoing amendments and remarks, this application is submitted to be in complete condition for allowance and, accordingly, a timely notice of allowance to this effect is earnestly solicited. In the event that any issues remain outstanding, the Examiner is invited to contact the undersigned to expedite issuance of this application.

Respectfully submitted,
WOOD, HERRON & EVANS, L.L.P.
